

## 2020 Downtown Trick or Treat Event

The SFBA Board of Directors has carefully considered its options for the annual Downtown Trick or Treat Event and, due to the COVID-19 pandemic and the decision by the SF Community Center to not hold an After Party as in previous years, we have chosen to offer some changes to this year's event.

It has been suggested that we hold the event in People's Park, where stations can be set up so there will be a single line and one direction of travel. You are invited to *participate or provide treats* if you like, which will be distributed at a station assigned to your business either by yourself or a volunteer.

We need your help to decide if and how this year's Trick or Treat event will be held.

***Would you be willing to participate?***

- Yes, I wish to participate
- No, I do not wish to participate

If Yes - ***Would you provide Treats for a Station, in your name?***

- Yes
- No

***Would you staff the Station or request a volunteer?***

- I will staff
- I need a volunteer

OR - ***Would you like to see this year's event cancelled?***

- Yes
- No
